

Our Sitting

Seniors are really great people! We enjoy photographing seniors because of the variety of personalities we see and the variety of poses we can provide to compliment them. To help accentuate your style and personality, you may bring in as many changes of clothing as you wish, and props that say something special about you. You may also bring some of your favorite music to listen to during your sitting.

Our sitting fee is \$35.00 for a full sitting, during which we take up to 25-30 shots, and \$25.00 for a half sitting which we take up to 15-20 shots. The sitting fee is due at the time of the sitting and is for photographic services only. Our sitting fee is backed with a Satisfaction Guarantee.

Ordering

Approximately 2 weeks after your sitting, you will be contacted to make an appointment to pick up the proofs. Proofs are on loan to you for 1 week and do require a \$50.00 security deposit, which will be refunded to you when you return the proofs, or it will be credited toward your order. Upon returning the proofs, you can place your order for the package(s) you most desire. We do require 50% of the order when placed. Your order will be ready in approximately 3-4 weeks, at which time the balance of the order will be due.
